

SOTETSU HOTELS CLUB | Overview of services offered at each hotel

The membership program has been renewed on September 28, 2021 and the point program has been changed to a ¥500 cashback (¥200 for THE POCKET HOTEL).

*1 You can use (apply on the accommodation charge at the time of reservation on the official website) and exchange (¥5,000 cashback) your accumulated points until October 2, 2023.

*2 Regarding early check-in as a basic benefit, If we cannot provide a room, we will provide bottled water or a drink at the restaurant. However, hotels where the normal check-in time is 2:00 pm do not qualify for the basic benefits, so this will be handled at each hotel.
